

Exploring Seeds

By Kristin Sterling

DISCUSS

Talk through your thoughts.

- Find page 3 in your book. Talk with someone about what you see on this page.
- Do you have any seeds in your house? Where? Talk with someone about seeds you eat.

CREATE

Make an experience of your own.

- With an adult, plant some seeds and watch them grow.
- Create a seed collage with paper, glue and seeds.

IMAGINE

Use your imagination to explore.

- Take a walk and collect seeds. Show someone your collection!
- Explore plants around you. What do you think the seeds look like in the ground? Draw pictures and try to learn more about the plants you found.
