

From Egg to Butterfly

By Shannon Zemlicka

DISCUSS

Talk through your thoughts.

- Pick a photograph from the book and talk with someone about it.
- Caterpillars change to butterflies. How do YOU change? Discuss with someone how we change.

CREATE

Make an experience of your own.

- Use materials around your home to create a caterpillar or butterfly.
- Create a book about YOU and how you've changed over time.

IMAGINE

Use your imagination to explore.

- Experience the life cycle of a butterfly. Act out the different steps of the book. Show someone!
- Explore what other animals/things change from start to finish? Write/draw about it and share it with a friend.
