

# What's In A...Tree?

By Tracy Nelson Maurer

## DISCUSS

**Talk through your thoughts.**

- Talk about the things you have seen in a tree.
- This book is a book about a lot of living things. Talk about living things and nonliving things.

## CREATE

**Make an experience of your own.**

- Create your own "What's In My House?" book.
- Design a lift-the-flap book that is a guessing book. Share it with others.

## IMAGINE

**Use your imagination to explore.**

- Spend some time outside and write or draw all of the living things you see.
- Explore how trees grow. Find out more about seeds and plants at the library or a garden store.
